

## Directors Newsletter September 2017

We move in for a New Winter Season but the Summer Indoor Bowlers have provided valuable income for the club. Thank you to our volunteer organisers.

### **Improvements within the club have been as follows:-**

Roof painting

New store

New flooring in Catering area, Ladies and disabled toilets

New underlay and turning of bowling surface

We continue to try to keep the club facilities at a high standard and have plans for further improvements. Such as the cellar (to cut costs) Dining room walls and our car park.

Whilst membership numbers have fallen the revenue of the club has improved. We must continue to encourage as many new members as possible and integrate them into the club.

Outside funding will try to be sourced for some of our future requirements.

Communication of events etc will be sent out to members via email or you can visit our website or look on our facebook page.

Any suggestions and ideas you may have to improve your club should be given to Tanya or to a Director.

All members can make a contribution as we are always looking for volunteers so if you wish to offer your services please let us know,

Please spread the word that we have a great club so we can raise our profile within the local community. It will help encourage new members, sponsor and advertisers.

It is your club so please help to continue its success.

**Have an active, enjoyable and healthy season.**
